South Asia Voluntary Enterprise

Report of the Director and Trustees For the Year Ended 31 January 2024

The director of the company and the other charity trustees are pleased to present their report and the financial statements for the year to 31 January 2024.

Objectives & Activities

The charitable objects of SAVE are:

- to work as a non-political and non-religious charitable organisation, working for improvement in life and help in social, economic and cultural development of the disadvantaged and dispossessed communities primarily in the SAARC group of countries, Myanmar and United Kingdom.
- to promote assist and encourage all or any measures for the alleviation of poverty and hunger, imparting or improving education and healthcare, encouraging women's right and empowerment and improving nutrition and sanitation around the above communities or any other charitable activity which will promote the above aims and objectives.
- to train, develop, support and promote the voluntary self-help groups to achieve the above goals throughout the underdeveloped communities of aforementioned countries.
- to foster collaboration between organisations promoting such groups and their projects and to promote activities for the benefit of such organisations.
- to encourage, assist and promote development education to make people aware of social, economic and cultural issues for development of society as a whole.

The principal means of achieving the charity's objectives is through giving grants to organisations to support work in the areas listed above.

Achievements & Performance

The charity had a difficult year in 2023, primarily due to restrictions on money transfers imposed by the Government of India. Many grassroots voluntary organisations in India received funds from the UK but a crackdown on money transfers meant that all organisations needed to obtain authorisation under the Foreign Contributions (Regulation) Act – (FCRA) and to have new bank accounts set up with the State Bank of India. This resulted in a number of organisations not receiving FCRA and therefore SAVE was unable to support their projects until authorisation was received. The upshot of this was that SAVE could not continue to support Jan Chetna Manch, Gyan Niketan, ASHI or Pratibondhee Shanga.

As a consequence of the FCRA issue and the confirmation that Pratibondhee Shanga did not have current authorisation to work with disabled people, the Baird Watson Trust-funded projects had to be redesigned. Through discussions with Calcutta Social Project (CSP), and in consultation with Baird Watson Trust, we were able to run the projects with CSP rather than with the original partners. The projects are running well but it is a disappointment that we cannot work with ASHI or Pratibondhee Shanga.

As a consequence of the FCRA issues, the support that SAVE is giving to projects run by CSP has increased in the year, while the number of organisation that are supported has fallen.

During the year SAVE made grants to the following overseas organisations and projects:

Calcutta Social Project (CSP): Over the year, SAVE has supported CSP's work with those who have lost livelihoods due to the COVID-19 pandemic, provided funding for health care delivered by CSP and supported education for the destitute. The two Baird Watson Trust-funded projects for training and livelihoods were run by CSP.

Tagore Foundation: Tagore Foundation school was founded in 2001 by Mrs Srabani Sengupta with the task of educating children with special needs. It educates children with conditions including autism, cerebral palsy and Down's syndrome so that they can be integrated into society. Beginning with only two students, now it has 150 including 25 slow learners, 28 special children and 20 children from the poorer section of the society. SAVE has provided funding for disabled children particularly to relieve suffering due to the pandemic.

South Asia Voluntary Enterprise

Report of the Director and Trustees (continued)

Achievements & Performance (continued)

Swadhar Institute for Development of Women & Children (IDWC), MOHOR project - Providing Shelter to Children of Sex Workers: SAVE awarded a grant to this organisation in the previous financial year and tried a number of times to get funds transferred, but was thwarted by bureaucracy. The grant was accrued in the 2022-23 accounts, and the charity was successful in 2023 in getting funds through to Swadhar. The grant was for a residential program that provides day care and night shelter for children of commercial sex-workers, aged between 6 months to 15 years old. Owing to the nature of their mothers' work, these children are put completely in the care of this shelter, with the mothers' consent. Swadhar's primary objective and priority is care and protection of the beneficiaries since they are an extremely vulnerable group.

Baikuntapur Tarun Sangha (BTS) Sundarbans: BTS SAVE is supporting the BTS School Support (BSS) Programme. This is a project which is aimed to provide tutorial assistance free or at a very nominal cost to 100-150 students belonging to households living below the poverty line (BPL), of grades V to X, studying in local High Schools.

Tribal Health Initiative: this is a collective organisation comprising a Base Hospital (35 beds) providing primary and secondary health care facilities, and a pro-active outreach programme of health care, education and awareness raising in the local community. The project is sited in the Sittilingi valley, a reserve forested area surrounded by hills, 92 km from Dharmapuri and 85km from Salem.

Santi Tuberculosis Control Society: SAVE is supporting a project with the objectives of: 1. providing treatment to the poor; 2. providing awareness on the disease, right diet and lifestyle to the patients; 3. sensitising rural health practitioners on the disease, treatment and referral matters.

Engagement within the UK

As a way of engaging the local communities in the work of SAVE we have made a concerted effort to reach out to organisations working in similar areas in the UK. As part of this activity, SAVE has raised funds exclusively in the UK and made a donation of £500 this year to Children's Hospices Across Scotland (CHAS).

Financial Review

There was a net increase in overall funds during the year of £1,484, consisting of a decrease of £2,154 in unrestricted funds and an increase of £3,638 in restricted funds. Analysis between restricted and unrestricted funds is shown in the statement of financial activities on page 7 and further details of each fund are shown in note 7 on pages 11 to 12.

Income during the year increased slightly to £31,991 (2023: £30,892). One grant was received from Baird Watson Trust, as outlined in Note 2 on page 10.

Expenditure during the year increased to £30,507 (2023: £29,457). During the year, the charity awarded grants totalling £27,450 to 6 recipient organisations (2023: £26,443 to 5 organisations) for a range of purposes as outlined in Note 3 on page 10.

Funds carried forward amount to £27,986, of which £11,800 is held in restricted funds and the balance of £16,186 is held in the unrestricted general fund of the charity. This represents the charity's free reserves.

Reserves policy

The operating costs of the charity are funded by donations from members and occasionally from grants from external agencies. As there are no staff costs the reserves policy of the organisation is to retain sufficient funds in the bank to cover wind up costs and, as SAVE does not have any contractual agreements with outside bodies, the amount required is minimal.

South Asia Voluntary Enterprise

Report of the Director and Trustees (continued)

Structure, Governance and Management

South Asia Voluntary Enterprise (SAVE) is a company limited by guarantee and not having a share capital (company number SC148437). The company is governed by the terms of its Memorandum & Articles of Association, most recently revised in February 2021, and is a registered Scottish charity (number SC022264).

The Company Director is a trustee, along with others who serve as members of the Board of Trustees. Trustees are appointed from the members at the annual general meeting (AGM) and may also be co-opted at other times. The office bearers are appointed at Board meetings. In accordance with the company's Articles, all trustees retire at each AGM and are eligible for re-appointment.

Risk management

The trustees are aware of and have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances, and are satisfied that the systems in place are robust enough to mitigate all major risks.

Report of the Independent Examiner To the Trustees of South Asia Voluntary Enterprise

I report on the accounts of South Asia Voluntary Enterprise for the year ended 31 January 2024, which are set out on pages 7 to 14.

Respective responsibilities of trustees and examiner

The directors, as trustees of the charity, are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 (the 2005 Act) and the Charities Accounts (Scotland) Regulations 2006, as amended (the 2006 Accounts Regulations). They consider that the audit requirement of Regulation 10(1) (a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the 2005 Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
- to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

For the year ended 31 January 2024 the company was entitled to exemption from an audit under section 477 of the Companies Act 2006 ("the Act") relating to small companies.

The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476 of the Act.

The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

Approved by the Board and authorised for issue

Signed:

Date: 16th October 2024

Name: Dr D Datta

Director

The notes on pages 9 to 14 form part of these financial statements.

South Asia Voluntary Enterprise

Notes to the Financial Statements for the Year Ended 31 January 2024

1. Accounting Policies

Basis of Accounting

The financial statements have been prepared on the historical cost basis and in accordance with the requirements of:

- the Companies Act 2006
- Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued in October 2019 (Charities SORP (FRS102)); and
- the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

The charity constitutes a public benefit entity as defined by FRS102.

The Trustees consider that there are no material uncertainties about the ability of the charity to continue as a going concern for the foreseeable future. In particular, the impact of the COVID-19 pandemic has been assessed, as outlined in the trustees' annual report, with no significant impact on the going concern position of the charity. Accordingly, the accounts have been prepared on a going concern basis.

Income

Voluntary income including donations, gifts and legacies and grants are recognised where there is entitlement, probability of receipt and the amount can be measured with sufficient reliability. Where a grant is received for a specific purpose, it is included within restricted income and any unexpended portion carried forward as a restricted fund. Any related gift aid due is included in income where a valid gift aid declaration has been completed by the donor.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis. The charity has opted not to report on the activity basis. Expenditure is instead reported by cost type.

Taxation

The company is a registered charity and is exempt from corporation tax on its charitable activity. The company is not registered for VAT and expenditure includes VAT where relevant.

Tangible Fixed Assets and Depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is calculated by the straight line method to write off the cost of fixed assets over their estimated useful lives at the following rates:

Fixtures, fittings & equipment:	33% per annum
---------------------------------	---------------

Other Basic Financial Instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

South Asia Voluntary Enterprise

Notes to the Financial Statements (continued)

1. Accounting Policies (continued)

Funds

Unrestricted funds can be used in accordance with any of the charitable objects at the discretion of the Trustees.

Restricted funds can only be used for particular purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular purposes.

2. Grants & Donations

	Unrestricted Funds £	Restricted Funds £	Total 2024 £	Total 2023 £
<i>Grants</i>				
Baird Watson Trust for work in West Bengal	-	10,476	10,476	-

South Asia Voluntary Enterprise

Notes to the Financial Statements (continued)

7. Movement on Funds (continued)

Notes:

- (a) The *Gyan Niketan* fund consists of donations received specifically to support the work of the Gyan Niketan project. At present there are issues in sending funds to this organisation. The trustees are maintaining contact with a view to disbursing the funds in the near future. Otherwise, a similar project will be supported with these funds.
- (b) The *Jan Chetna Manch* fund arose from donations received to support the work of this organisation in the Bokaro district of India. Due to issues in sending funds to this organisation, the balance on this restricted fund will be used to provide grants to other organisations delivering similar work.
- (c) The *Baird Watson Trust* fund arose from grants from this trust to support work in West Bengal. The recipient organisation during the year was Calcutta Social Project (CSP), as outlined in the Trustees' Report. The balance carried forward will be spent in the subsequent financial year.
- (d) This fund arose from donations received during the year to support the Calcutta Social Project. The donations and associated gift aid were passed on in full by way of grants during the year.
- (e) This fund arose from a donation received during the year to support the Tagore Foundation. The donation and associated gift aid were passed on in full by way of a grant during the year.
- (f) The *Fixed Asset Fund* corresponds to the net book value of fixed assets. Annual depreciation is charged to the fund and the cost of fixed assets purchased is transferred into the fund.
